

Landscape Architect

Lashley + Associates is seeking talented, experienced and motivated Landscape Architects to join our expanding firm in our Ottawa and Montreal offices.

We are currently looking to fill an intermediate landscape architect/project manager position at our Ottawa office immediately. We are also seeking candidates for positions in Montreal.

Lashley + Associates Corporation is a progressive, energetic, and award-winning Landscape Architecture practice located in Canada. Our practice utilizes a forward-thinking and a sustainable approach to design urban, rural, and natural environments in central and eastern Canada. As designers and proud stewards of the land, we are focused on the development of resources for the betterment of society and nature. We are committed to provide excellence in design and service to our clients.

Lashley + Associates provides a collaborative, open-concept office environment. Our team is comprised of engaging, talented and motivated professionals from a variety of backgrounds, all with unique skills and experience that combine to create a strong and supportive office.

The successful candidate will be responsible for project management, project concepts and design, detailed design, written reports, contract documents, and construction review for a variety of institutional, government (federal, provincial and municipal), commercial and residential development clients. Preparing proposal responses to RFP's will be required, client and contractor liaison, and coordination of resources will be an essential aspect of the job. The candidate must be motivated to lead projects independently and manage staff resources and subconsultants in projects accordingly, as well as assist and support the Senior and Principal Landscape Architects.

The successful candidate will have the following credentials:

- Landscape Architectural degree from an accredited university. Additional related degrees or credentials may be an asset.
- Minimum 5+ years of full-time working experience as a Landscape Architect.
- Eligible for membership with a recognized professional association, e.g. OALA, AAPQ.
- Be motivated, forward-thinking, and ready to take on a leadership role.
- Demonstrated and proven design talent.
- Demonstrated excellence in oral, written and graphic communication.
- Demonstrated excellent experience in technical design (e.g. grading, planting, construction detailing).
- Proven experience preparing construction specifications.
- Demonstrate successfully constructed projects designed by the candidate.
- Demonstrated performance and success in project proposals and project management.
