

## SENIOR LANDSCAPE ARCHITECT- BUSINESS DEVELOPMENT MANAGER

*Are you ready for a challenge? Lashley + Associés is seeking an enthusiastic, talented, experienced, and motivated Senior Landscape Architect- Business Development Manager to join our team for our Montreal office.*

LASHLEY + Associés is a progressive, energetic, and award-winning Landscape Architecture practice with offices located in Ottawa and Montréal. Our practice utilizes a forward- thinking and a sustainable approach to design urban, rural, and natural environments for clients and projects in central and eastern Canada. As designers and proud stewards of the land, we are focused on the development of resources for the betterment of society and nature. We are committed to providing excellence in design and service to our clients.

The company provides a collaborative, open-concept office environment for both our Ottawa and Montréal offices. Our team is comprised of engaging, talented, and motivated professionals from a variety of backgrounds, all with unique skills and experience that combine to create a strong and supportive company. The company has 14 employees and support staff in both of our offices. The Montréal office serves clients for projects in Montreal Quebec, West Quebec, and Gatineau, as well as collaborative work with the Ottawa office in the National Capital Region.

It is expected that the successful candidate will develop and build our client base in Québec; will lead the design team in our Montreal office and manage resources to support our Québec projects.

### **Job brief**

We are looking for an ambitious, energetic, and experienced Senior Landscape Architect who will guide business development for our Montreal office. As a business development manager, you will help us expand our client base in both the public and private sectors in Québec with particular attention to Montréal and West Quebec. As a Senior Landscape Architect, you will be the design lead and office principal responsible for guiding staff through all aspects of the project stream, from concept to contract administration.

You will be the face of the company in Montreal and will have the dedication to create and apply an effective strategy to obtain new clients and guide the successful planning, design, and implementation of projects.

You will drive sustainable financial growth through boosting sales and forging strong relationships with clients, while ensuring our design quality maintains the highest standards.
